Important Information

Short History

Expatriate Anglican chaplaincies were established in Brazil in 1810, with missionary work beginning in 1889, after the separation of Church and State. The Province, which is one of the few Portuguese speaking churches in the Communion, became autonomous in 1965. In 1990, Brazil's economic and social problems prompted the Partners in Mission Consultation to focus on three priorities: education, service, and expansion. *Estandarte Cnsta*, the monthly Church journal based in Porto Alegre, has been published since 1893.
