## **July 16, 2023 – Pentecost 7 (A) UTO Awards**

More than \$1 million in United Thank Offering grants was designated for 22 projects related to the worldwide incarceration crisis within The Episcopal Church and Anglican Communion. The funds came from the United Thank Offering’s 2022 Ingathering, where monies collected in UTO “blue boxes” at Episcopal churches throughout the year are gathered as thank offerings. This year’s focus for grant applications was projects addressing the worldwide incarceration crisis, specifically preventative programs and intervention, prisoner support outreach, prison reform work, or post-prison reentry.

“The worldwide incarceration crisis affects us all, whether or not we know someone directly affected by incarceration,” said UTO Board President Sherri Dietrich. “Jesus’ words in Matthew 25 and the Way of Love encourage us to work for justice in the world and to respect the dignity of every human being, including prisoners and their families. The grants UTO funded this year will create that ministry in new places around the world.”
