October 20, 2024 – Pentecost 22 (B) Evangelism Grants

Episcopal institutions are invited to apply for evangelism grants (iam.ec/evangelismgrants) to support local and regional efforts to grow Episcopal ministries, resources, and gatherings—and to energize the church to share and celebrate the Good News of Jesus Christ. The application deadline is **Oct. 28**.

The grant application, criteria, requirements, budget information, and more are available online in English, Spanish, and French.

The grants committee will consider proposals for up to \$2,000 for individual faith communities and up to \$8,000 for multichurch, diocesan, provincial, and other regional collaborations. A total of \$125,000 is available for this funding cycle.

The 2024 grant focus is on evangelism initiatives that minister across barriers. Projects that would fit this theme include the following:

- Collaborative, lay-led ministries that are not clergy dependent.
- Ministries that explicitly support and include communities traditionally underrepresented in The Episcopal Church.
- Ministries that engage new ways of being the church in new spaces.
